OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE 21

No 6770 / 381

Bangalore 17th December *1912*

From L Shama Rao Esq
Offg *Inspector General of Education in Mysore*

To
C R Srinivasiengar Esq M A
Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

I have the honour to inform you that at the Meeting of the Board for the award of Secondary School Leaving Certificates held on the 7th instant the following resolutions were adopted -

(1) That students of the sixth form of this year who may not be allowed to appear for the Public Examination of 1913 may be allowed to appear for the same in 1914 keeping only two terms

Resolved that a reference be made to Government to make Rule X of the Scheme more clear in favour of such candidates

(2) That students of the VIth and Vth Forms who have not joined the school this year may be allowed to appear for the Public Examination of 1914 and 1915 keeping two and four terms respectively and that three students of the London Mission High School Bangalore viz P S Shiva Rao and V N Raja Rao of the VIth Form and T V Panduranga Rao of the Vth Form who are short of term by $2\frac{1}{2}$ $4\frac{1}{2}$ and 10 days respectively may be exempted from producing the required term certificates

Resolved that a recommendation be made to Government to authorize the Board to grant exemption in special cases from producing

producing term certificates

(3) Read Government Order No 3612/Edn 432-11-19 dated 18th November 1912 directing that the previous sanction of Government should be obtained to add extra subjects for study to those prescribed in Rule IV of the Scheme

Resolved, that Government be moved again to delegate this power to the Board

2 In regard to (1) although rule X taken by itself seems clear enough, it is far from decisive if read along with the rule V The resolution under advertence seeks to make the general rule V 4 apply to the whole of the transitory period and extend the consideration shewn to the Vth and VIth Farm students of this year to those of the next and the following year

3 Resolution (2) has reference to exemptions under special circumstances in regard to attendance certificates This is more or less of a disciplinary nature and hence it is desired that the Board may have discretion to grant exemption in each case on its own merits

4 Resolution (3) repeats the recommendation made in this office letter No 3583/194 of the 26th September 1912 It has already been felt a matter of serious inconvenience that the Board has not the discretion to recognise at once additional subjects such as Domestic Economy taught in the Girls' Schools I, therefore, submit that the recommendation made in my letter quoted above may be approved at least temporarily and sanction accorded to the addition to rule IV(a) sub section "25—and such other subjects in either of the groups A & B, as fall within the Secondary School Course" as is done in the corresponding Madras rules

As some of the matters under advertence are of an urgent nature I request the favour of early orders of Government

I have the honour to be,
Sir,
Your most obedient servant,

TNR 9.1.13

With Reference to your letter No 6970/3892 17/12/12 Regarding certain modifications in the Rules for the award of Secondary School Leaving Certificates I am desired to ~~request~~ Request you to kindly furnish information on the following points -

(1) ~~How~~ What is the number of working days in the High School classes ~~in each~~ in a year -

over

SUBJECT

9/11 9/11

(2) In para 2 of your letter you say that "although Rule X [illegible] seems clear enough, it is far from decisive if read along with the Rule V and that the Resolution of the Board seeks to make the General Rule V.4 apply to the whole of the transitory period etc" The meaning of this is not clearly understood If Rule V 4 is applied to the whole of the transitory period as proposed, the effect will probably be the reverse of what is now proposed to be done Perhaps Rule V 4 is a mistake for Rule X.

3 Regarding the grant of exemption in Special Cases from producing Leaving certificates will such Such a step go against the principle of the Scheme and will not the University object to it.

A very early reply will oblige

Yours sincerely

for 7/13.

D O No 280

Office of the Inspector General of
Education in Mysore
Bangalore 14th January 1913

Dear Mr Ramaswamaiya

With reference to your letter No 4779/Edn 432-11 dated the 9th instant the required information is furnished hereunder -

1 The number of working days in High Schools would be about 200 a year

2 Under Rule V 4 a student who is not qualified in the opinion of the Head Master to be presented for the public examination can remain in the same class for the following year but in his certificate he will be given no credit for what he did during the year Rule X requires that a candidate who has been in the VIth Form this year and is considered not good enough to be presented for the public examination should produce certificates for four terms 2 in the Vth Form and 2 in the VIth

VIth Form, the former two terms being a clear impossibility in his case What is sought to be done is to apply the general Rule V 4 to these special cases during the transition period so as to enable a boy to keep his four terms in the VIth Form alone

3 The exemption sought to be granted is not exemption from attendance altogether which would be against the principle of the scheme, but to excuse in each individual case small shortages of attendance for very good reasons Exemptions are granted in such cases under the new University Regulations which do not contemplate private candidates or outside students under the new Regulations

Yours sincerely,

Dr. Radhakrishnan.
